FOR IMMEDIATE RELEASE: February 1, 2018

Leeward Yacht Club Announces Organization Change

Green Turtle Cay, Abaco, Bahamas: Solaris Development Bahamas Limited is pleased to announce that James Cotman has been named General Manager of Leeward Yacht Club. Mr. Cotman has extensive experience in the hospitality management, construction and marine industries. Mr. Cotman will manage the daily operations and execute the long-term development plans for Leeward Yacht Club ("Leeward"), Marina and Resort.

Leeward Yacht Club was purchased by Solaris Development Bahamas Limited in 2016 with plans to continue the growth of the resort with its spectacular setting and create a concierge level of service in a true family island setting. Leeward acquired another rental home in late 2017, now offers pump-out service and has entered into a contract with a Bahamian provider to offer fuel to both boaters and vehicles by late spring.

Leeward Yacht Club offers a protected marina with easy access for sailboats, power boats and yachts. Nestled against in a lush tropical setting, the resort offers a restaurant, bar, pool, tennis court and luxury rental homes from three to five bedrooms on an eight acre site. Let the staff at Leeward Yacht Club show you how easy it is to live "Life on the Lee Side".

For reservations and other information regarding Leeward Yacht Club, please the sales office at 242-365-4911 or 713-307-9163 or email at info@leewardyachtclub.com.
